A Few Thoughts From Our President...

Just a couple reminders this month...

We are still in desperate need of an Emergency Building Contact volunteer. This person would be the 'go to' if there are problems around the Club - computer, phone, roof, etc....any maintenance type questions. You do not have to FIX the problem, but determine if it's an emergency that requires immediate attention and a service person should be called, or if it can be fixed by a Club member at a later date. Please contact me if you are interested in providing this much needed volunteer service.

The Northeast Wisconsin Dog Show Classic is coming fast! Please check the volunteer sign up sheet at the Club and contact the appropriate chairperson for the activity you are able to help with.

Please remember to sign up for the Annual Awards Banquet that will be held on Sunday, April 9. This is Packerland's way of acknowledging our members who gained titles last year and to thank our instructors for the wonderful service they provide by teaching classes every week. We are looking forward to a fun evening with good food, good conversation and good friends. Hope to see you all there!

Enjoy the spring weather!

Upcoming Events

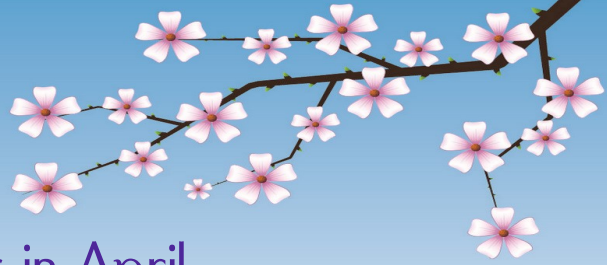

Outreach has several programs coming up. Please remember, the canine needs to have a copy of a current rabies vaccination and the human needs to be a PKC club member (not a trainee). If you are able to attend, please contact Ronda so she knows you are able to attend. Ronda will send those attending a follow up email prior to the event with final instructions regarding parking and where to meet. These college visits are a relaxed time to visit with the students.

NWTC ~ Wednesday, April 19, 11:30 a.m.-1 p.m.

UW-Green Bay~ Wednesday, April 26, 4-5 p.m.

St. Norbert College ~ Tuesday, May 9, 3-4:30 p.m.

SAVE THE DATE: PKC had been invited to participate in Farm Technology Days on July 11, 12 & 13. This is a large event that will be held in Algoma. We have been invited to have a booth during the event and provide demos throughout the three days. This will be a fantastic opportunity for the club to reach thousands of people! I will need volunteers to help staff our booth throughout the three days from 9 a.m.-4 p.m. There will be more info coming in the next few months.
