- Pinch collars, electric or dummy collars are prohibited. Training collars are allowed.
- The safety of the dogs and handlers is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport and that their dogs are familiar with and able to perform all obstacles safely.
- A warm-up area, consisting of a regulation agility jump, will be provided.

Cross-Over from Regular to Preferred

Effective January 1, 2013, handlers have the option of showing their dogs in Preferred at the same equivalent level to where their dog is eligible to compete in Regular. Example: A MACH dog is currently showing in Novice Preferred Standard, having earned 2 qualifying legs. Any time after 1/1/13, that dog may start competing directly in Master Preferred Standard. Upon having earned a qualifying leg in the Master Preferred Standard class, their cross-over shall be invoked, and the previous, lower titles do not have to be completed. Once a cross-over has been invoked, the dog may no longer compete in the lower preferred class levels. The handler always has the option of starting their dog at the Novice Preferred level.

Dogs Eligible to Enter

This trial is open to all dogs over the age of 15 months that are registered with the AKC or that have AKC Limited Registration, are Purebred Alternative Listing/Indefinite Listing Privileges PAL/ILP registered or approved Foundation Stock Service (FSS) breeds, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance. These events are accepting entries for Mixed Breed dogs enrolled in the AKC Canine Partners Program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Height Divisions

Owners are responsible for entering the proper height division. REGULAR CLASSES - Handlers may opt to run in a higher height division, but not in a division lower than their proper jump height. PREFERRED CLASSES - handlers must run their dog in their proper eligible height.

12 inches	8 inches	14' and under
16 inches	12 inches	18' and under
20 inches	16 inches	22' and under
24 inches	20 inches	Over 22' –

Dogs may NOT be entered in this height if they are 22 inches and under

Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24 Choice

Measuring & Height Card Information

When filling out the entry form, there is a section of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that a copy of your dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. **Regulations for Agility Trials, Chapter 2, Section 4.**

Obstacles & Course Familiarization

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials. Contacts & table are rubberized and weaves are 24 inches on center. Obstacle familiarization for Novice dogs will **not** be offered at this trial. Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class.
