A word from our president...

Hello All,

Our dog show is rapidly approaching, and we are always looking for more volunteers. Whether it's stewarding, parking, or general setup, we could use your help. Contact Gary Roberson or June Ashford to see what you can help with.

At the last Business Meeting, it was decided that we should re-key the building. This will be done in the near future. If you will need a new key to the building, please send me an email with your name and reason for requesting the key, such as the class that you teach.

Thanks!

Jerry

A Note from the Outreach Coordinator

Ronda Bermke • bermke@centurytel.net

PKC Outreach has several upcoming programs. Please let Ronda know if you are available and willing to participate. Please remember that you need to be a Club member, and we need a current copy of your dog's rabies certificate on file with Outreach. Your dog needs to be very friendly with people and other dogs. Ronda will get back to those interested in each program with details regarding where to meet and parking information.

PKC Outreach Super Stars

Anne Lindsley & "Palmer"

I enjoy having the opportunity to do many different things with my Nova Scotia Duck Tolling Retrievers, Hogan and Palmer. They both love to go on visits to schools, Sweet Street and many other places as part of Packerland Kennel Club's Outreach Program. The excitement the kids to adults have when they see my dogs makes me appreciate how lucky I am to have the time to attend these events. There are many special memories of my dogs from these events. I will never forget our visit to the children's grief group at UWGB. The children tried to hide Palmer's bumper so he couldn't find it! Little did they know, he uses his nose when he can't see things!

Thanks for giving us the opportunity to participate in the Outreach events and we look forward to continuing to do more in the future.

PKC Calendar Creator Needed

PKC is **STILL** looking for someone to take over creating the Club calendars. Tammie Scheich has done a great job supplying the calendars but is looking for someone to take over the task for her. Tammie's replacement would be responsible for updating the calendars each month for the *Paw Print* and the PKC web site, preferably using Microsoft Publisher or another compatible calendar program. If you are willing to take over this duty, please contact Tammie or any Board member. Thanks for your consideration.
